A doctor's office disclosed a patient's HIV status when the office mistakenly faxed medical records to the patient's place of employment instead of to the patient's new health care provider. The employee responsible for the disclosure received a written disciplinary warning, and both the employee and the physician apologized to the patient. A dentist's office voicemail greeting script is quite similar to a doctor's office voicemail message. It should cover the basics: when the office is open, how to schedule an appointment, and what emergency services are available. Thank you for calling Maplewood Dental. If this is a dental emergency, call Doctor Wainwright on his cellphone at.
